

Krantiguru Shyamji Krishna Verma Kachchh University

1.3.1 Courses which address the Professional Ethics, Gender, Human Values, Environment and Sustainability

1. Professional Ethics
2. Gender
3. Human Values
4. Environment and Sustainability

Courses addressing Professional Ethics Courses		
Course Code	Course Name	Description
ECHS101	History of India (1757-1857)	Truth, Patriotism, Co-Operation, Political Consciousness.
CCHS206	Contemporary World	Global Perspective, Scientific Perspective, Importance of Mediating Organization.
CCHS307	Social Change in Gujarat in The 19 th & 20 th Century-I	Social Equality, Scientific Perspective, Importance of Reforms, Regionalism
CECS104	Personality Development and Soft Skills	It focuses on development of soft skills related to industrial needs.
CAIT105	Communication Skills in English	This course is for fresh under graduate students. It focuses on development of good communication skills in English especially.
CAIT205	Soft Skills and Personality Development	It focuses on development of soft skills related to industrial needs.
CAIT305	Email Etiquette and Training	E-mail communication is must. This newly introduced subject is useful in robust e-mail management and communications.
CAIT405	Presentation Skills	This course gives insights of presentation skills and it is useful in development of presentation skills of the students.
Int.MBA 101 C	Good Governance	Good governance refers to the effective, transparent, accountable, and equitable management of public affairs and resources. It encompasses principles such as participation, rule of law, transparency, responsiveness, consensus orientation, equity, effectiveness, efficiency, and accountability.
Int. MBA 201 A CVAC	Human Values and Professional Ethics	Human values refer to the core principles that define what is important in life, such as honesty, compassion, respect, integrity, and responsibility. Professional ethics involves the moral principles and standards of conduct that govern behavior in a professional setting.
A001	Fundamental Concepts of Educational Research	research ethics, publication ethics
A003	Educational Studies	class room ethics, inclusive ethics, human ethics
A004	Methods of Educational Research	ethics in use of research resources & research output ethics in implementation of research
A006	Perspectives in Teacher Education	administrative ethics, institutional ethics

Krantiguru Shyamji Krishna Verma Kachchh University

C102	ICT in Education	technological ethics
A007	Library Resources and Tools & Techniques in Educational Research	research integration of tools ethics ethical issues related to library & references
C106	Educational Administration and Leadership	ethics for Administration and Leadership
B107	Education Management and Organization in Primary Education	managerial ethics
B110	Educational Management and Organization in Secondary Education	managerial ethics
IDSW101	Principles and Practice of Management	This course presents a thorough and systematic coverage of management theory and practice. It focuses on the basic roles, skills and function of management, with special attention to managerial responsibility for effective and efficient achievement of goals.
CCSW412	Management of Welfare Services	It will help to Acquire knowledge of basic processes of managing and administrating developmental and welfare services in the context of social work profession. It will helps to Acquire skills to participate in managerial and administrative process and programme delivery.
ECSW405A	Organisational Behaviour	It will help the student understand how the 'people' side of the organizations affects effectiveness through concepts. It will help to develop the student's ability to observe, understand and analyse the behaviour within the organizational context
ICGE-212	Research Methodology, Statistics and Computer Application	Students will gain a comprehensive understanding of various research designs and methodologies, including qualitative, quantitative, and mixed methods approaches. Graduates will be able to formulate clear and concise research questions and hypotheses that guide the research process effectively. Learners will acquire skills to write clear and coherent research proposals, including literature reviews, methodology sections, and budget considerations.
CCGJ411	Bhashavigyan	Variation of Gujarati Language.
CCGJ102	Bhartiya Sahitya Mimansa	Rasasutra of Bharatmuni, classic literature and aesthetic literature
CCGJ101A	Madhyakalin Gujarati Sahityik Krutiono Abhyas	Form of aakhyan and nadakhya form of prabandh and "Kanhareprabandh" form of faagu and "Vasant Vilas"
ECGJ102A	Arvachin Gujarati Sahitya Krutiono Abhyas	Form and history of novel form and history of short stories form and history of drama
ECGJ102B	Apathit	Proofreading and translation work
CCGJ205	Bhartiya Sahitya Mimansa	Vakroktivchar, ramniyatavichar, auchityavichar

Krantiguru Shyamji Krishna Verma Kachchh University

CCGJ307	Paschatya Sahitya Mimansa	Tragedy of Plato, Aristotle and crunche
CCGJ308	Bhashavigyan	Language families of the world and deep knowledge of linguistics
CCGJ306A	Gujarati Vivechan Sahitya	History about critical literature in Gujarati
CCGJ306B	Gujaratima Koshkarya	Dictionary function of Gujarati literature
ECGJ407B	Tulnatmak Sahitya	Comparative Literature of to books : Manohar kshetopan and Muktiivrutant
ECGJ408A	Gujaratma Sahityik Samyiknu Pradan (Sudharakyug Thi Gandhiyug)	Information and history about Gujarati language magazine
ECGJ408B	Gujarati Sahityik Sansthao	Information and history about Gujarati literary institutions
CCSN 101	Kavyam - Drama	Knowledge of selected renowned plays in Modern Hindi literature would enhance the skills required to do such plays in Hindi by enhancing communication and acting skills thereby improving their employability
ECSN 101A	Grammar - Laghu Siddhant Kaumudi	The knowledge of grammar and vocabulary learnt from this subject would improve writing skills, paraphrasing skills and analytical skills required to understand Sanskrit
ECSN 102A	Alamkarashastra - Natyashastra	A comprehensive critical appreciation of Natya or theatre enhances comprehension skills and various skills associated with Sanskrit theatre like speaking, acting, and comprehension of commentaries
ECSN 308A	Alamkarashastra - Vakroktijivitam	Introduce in detail the life and works of KUNTAKA with special reference to Vakroktijivitam, style of Kuntaka, explain principles of Alamkara with illustrations.
IDCH -205	RESEARCH METHODOLOGY	Ethics are a guiding principle that shapes the conduct of researchers. It influences both the process of discovery and the implications and applications of scientific findings. Research Methodology guides students with the above concept.
CCAG- 2222	Dissertation/Projec t/Training	Students will gain a comprehensive understanding of various research designs and methodologies, Graduates will be able to formulate clear and concise research questions and hypotheses. Learners will acquire skills to write clear and coherent research proposals.
CCEN-209	Research Methodology, Biostatistics, and Computer application	Demonstrate knowledge of fundamental concepts in research methodology, including the research process, design, and ethics. Develop and refine research questions and hypotheses relevant to environmental science and related fields.
CCEN-301	Environmental Impact Assessment, SIA, and Auditing	Understanding of the principles and processes involved in Environmental Impact Assessment (EIA), including its legal and regulatory frameworks. Students will learn the methodologies for conducting Social Impact Assessments (SIA), analyzing how projects affect communities, cultural resources, and social structures.

Krantiguru Shyamji Krishna Verma Kachchh University

ECAR408	Dissertation	The purpose of this exercise is to become familiar with research methods, computer application, literacy and the presentation skills. Moreover, to think about how to approach, communicate and assess archaeology and archaeological problems from various viewpoints. The student has the freedom to select any research problem related to archaeology; they can also work for their dissertation in the department or research institutes
ECSO 102	Political Sociology	This Course Shows the changing structure of Society Due to the Effects
CCSO206	Social change and development in india	Indias changing social impact shows growth opportunities in india
CCIRHRD - 101	PRINCIPLES AND PRACTICE OF MANAGEMENT	This course presents a thorough and systematic coverage of management theory and practice. It focuses on the basic roles, skills and function of management, with special attention to managerial responsibility for effective and efficient achievement of goals.
CCIRHRD - 206	ORGANISATIONAL BEHAVIOUR	It will help the student understand how the 'people' side of the organizations affects effectiveness through concepts. It will help to develop the student's ability to observe, understand and analyse the behaviour within the organizational context
DSC-M 101A	Fundamental of Management	Focuses on Business ethics and corporate governance
SEC 101 A	E- Commerce	Focuses on ethical marketing in e-commerece
DSC – M 202 A	Business Law	The syllabus focuses on professional ethical behaviour and its law, rules and legal implication
CVAC IKS 201 A	Human Values and Professional Ethics	The whole syllabus focuses on the concepts of human values and professional ethics
CCIRHRD - 101	PRINCIPLES AND PRACTICE OF MANAGEMENT	This course presents a thorough and systematic coverage of management theory and practice. It focuses on the basic roles, skills and function of management, with special attention to managerial responsibility for effective and efficient achievement of goals.
CCIRHRD - 206	ORGANISATIONAL BEHAVIOUR	It will help the student understand how the 'people' side of the organizations affects effectiveness through concepts. It will help to develop the student's ability to observe, understand and analyse the behaviour within the organizational context

Krantiguru Shyamji Krishna Verma Kachchh University

Courses addressing Gender		
Course Code	Course Name	Description
CCHS307	Social Change in Gujarat in The 19 th & 20 th Century-	Social Equality, Women Empowerment, Sympath For The Backward Stage.
ECHS407	Women in Indian History	Women's Co-Operation, Sympathy Towards Women, Women's Contribution To Society, Women's Contribution To Social Reforms.
CCHS308	History of Constitutional Development in Modern India- I	Social Equality, Gender Equality, Women Empowerment.
Ecen 305 B	Women's Writing	The Course Will Sensitize Students About Women's Marginalization in Society Which Is Widespread and Universal The Paper Intends To Provide Students The Analytical and Critical Tools So That They Can Question and Expose The Idea of Gender Construction and Patriarchal Exploitation The Paper Familiarizes Students With The Strategies of Resistance Adopted By Women To Dare and Defy Patriarchy
A002	Psychology of Learning & Development	Psychological Orientation To Gender
ECSW202B	Family Dynamics and Family Social Work	It Will Help Students To Understand Family As A Social Group Its Functioning and Role in Development of Individual.
ECEN 305 B	Women's Writing	The Course Will Sensitize Students About Women's Marginalization in Society Which Is Widespread and Universal The Paper Intends To Provide Students The Analytical and Critical Tools So That They Can Question and Expose The Idea of Gender Construction and Patriarchal Exploitation The Paper Familiarizes Students With The Strategies of Resistance Adopted By Women To Dare and Defy Patriarchy
CEGJ407A	Swatantratoryugnu Sahitya Pradan	Feminism and Diaspora Literature
Law	Law and Social Transformation in India	Promotes Equal Rights For Women in Education, Jobs, and Inheritance. Examines Laws Like The Domestic Violence Act To Protect and Empower Women. Focuses On Women's Autonomy Over Reproductive Health and Maternity Benefits. Covers Laws Against Rape, Dowry, and Trafficking To Protect Women. Analyses Laws Ensuring Women's Participation in Politics Through Reservations. Explores Laws For Transgender Rights and Decriminalization of Homosexuality
Law	Collective Violence	How Cultural Norms and Stereotypes Perpetuate Subtle

Krantiguru Shyamji Krishna Verma Kachchh University

	and Criminal Justice System	Violence Against Women. Systemic Inequalities in Access To Education, Healthcare, and Opportunities That Oppress Women. Failures of Legal Institutions in Protecting Women and Contributing To Their Victimization. Traditional Gender Roles That Foster Environments Where Violence Is Normalized. How Marginalized Women Face More Intense Violence Due To Multiple Layers of Discrimination. Need For Gender-Sensitive Reforms To Better Protect and Address Violence Against Women.
CCSN 102	Kavyam - Drama	To Understand Social Problems Faced By Indian Women. To Gain Knowledge Regarding Programmes Run To Uplift Women in Ramayana and Revolutionary Vision of Bhavbhuti Regarding Poetic Justice.
CCSN 102	Vedic Literature - Rgveda, Atharva	A Sensitization of Students From The Perspective of Gender Roles, Theories of Gender, Feminism, Gender Equality in Society in Rigvedic Age
CCSN 205	Vedic Literature - Rigveda, Yajurveda	A Sensitization of Students From The Perspective of Gender Roles, Theories of Gender, Feminism, Gender Equality in Society in Rigvedic Age
CCSN 204	Kavyam – Modern Poetry	A Comparison of Literary Talents of Selected Modern Sanskrit Poets Would Describe Gender Equality, Analytical Skills and Writing Skills in Sanskrit Literature
ECSSO101	Gender and society	Provide information on sex demographics in india
CCPS-102	Developmental social psychology	In these course students learn about complex biopsychosocial process that takes place in concert with societal stereotypes and the local social contexts they shape. understanding key gender stereotypes and their impact.
CCPS103	Psychology of emotion	In these course students learn that gender differences in emotional functioning are both mediated and moderated by sociocultural, cognitive, biological, and behavioral variable
AEC 201 A	Presentation and Soft skills	It focuses on gender equality and gender related communication skills
ID/MD 301 A	Business Environment	In the Demographic business environment it focuses on the role of gender

Krantiuru Shyamii Krishna Verma Kachchh University

Courses addressing Human Values

Course Code	Course Name	Description
CCHS204	Histogramphy	Transparency, honesty, curiosity, constructive criticism.
ECHS203	History of India.	Patriotism, Socio-Religious Unity, Truth and Non-Violence.
CCHS411	History of Constitutional Development in Modern India-Ii	Freedom, equality, tolerance.
CAIT106-A	Introduction To Indic Knowledge System – I	Iks – indian knowledge system depicts the human values of ancient bharat.
CAIT106B	Bhagavad Gita and Life Management	To establish the roots of bhagavat geeta in youth this course is introduced.
CAIT206B	Yoga-Nityansh	Yog Is Everywhere and Its Techniques Helps A Lot To Human Beings.
101 A CVAC (IKS)	Mba (Integrated) Introduction To Indic Knowledge System – 1	Indic Knowledge System - 1 Is An Academic Subject Focused On Exploring The Rich and Diverse Intellectual Traditions Of Ancient India. This Subject Delves Into Various Domains Of Knowledge That Originated and Evolved in The Indian Subcontinent, Including Philosophy, Science, Mathematics, Literature, Art, and Culture.
101 B CVAC (IKS)	Introduction To Bhagwad Gita	The Bhagavad Gita , Often Referred To Simply As The Gita, Is A 700-Verse Hindu Scripture That Is Part Of The Indian Epic Mahabharata. It Is A Sacred Text Of The Hindu Religion and Is Considered One Of The Most Important Spiritual Classics.
301 A CVAC (IKS)	Mba Integrated Sem 3 Indian Thinkers and Philosophers	Indian Thinkers and Philosophers Is A Subject Dedicated To Exploring The Profound Contributions Of Indian Intellectuals Throughout History. This Subject Delves Into The Lives, Teachings, and Philosophies Of Prominent Indian Thinkers and Philosophers Who Have Significantly Influenced Spiritual, Social, Political, and Intellectual Spheres in India and Beyond.
301 B CVAC (IKS)	Mba Integrated Sem 3 Indian Saints	Indian Saints Is A Subject That Delves Into The Lives, Teachings, and Spiritual Contributions Of Saints From Various Traditions Within India. These Saints, Revered For Their Deep Spirituality, Wisdom, and Devotion, Have Significantly Shaped India's Religious and Cultural Landscape. The Subject Explores Their Philosophies, Practices, and The Socio-Cultural Impact They Have Had Over Centuries.
D103	Psychological Testing	Value based testing
D104	Educational Measurement & Evaluation	Taxonomy based value
A005	Philosophy of Education	Philosophical values
C101	Curriculum Studies and Education	Value base curriculum
A008	Sociology of Education	Sociological values
B104	Elements of Bhartiya Chintan	Indian value

Krantiguru Shyamji Krishna Verma Kachchh University

C107	Pedagogy of Curriculum and Assessment	Value base curriculum & assessment
B106	Pedagogy of Curriculum in Primary Education	Value base curriculum
B109	Pedagogy of Curriculum in Secondary Education	Value base curriculum
FWSW 101	Field Work	Develop The Ability To Observe and Analyze Social Realities. It Will Help To Understand The Characteristics Of Social Systems and Their Dynamics. It Will Develop Critical Understanding Of The Application Of Legislation Legal Process and Social Policy. It Will Develop The Ability To Examine The Process Of Programme Management and Participate in The Effort At Various Levels.
ECSW304A	Correctional Social Work	It Will Help To Enable The Students With Advanced Theoretical Information in The Field Of Correctional Social Work. It Will Give Analytical Insight To Understand The Causes Of Crime. The Course Will Equip The Students With Knowledge To Understand The Criminals and To Reform and Rehabilitate The Criminal Back To The Society.
CCGJ101	Grandhakar : Manubhai Pancholi 'Darshak'	Creator knowledge in history of manubhaipancholi
CCGJ204	Granthkar : Raghuvir Chaudhari	Creator knowledge of raghuveerchoudhary
CCGJ206	Sahitya Swarupno Abhyas : Atmakatha	Form Of Autobiography and History Of Gujarati Autobiography
ECGJ305A	Sarjakono Abhyas : Dayaram	Creator Knowledge Of Dayaram and Form Of Garbi
ECGJ305B	Sarjakono Abhyas : Shamal	Creator Knowledge Of Shyamal and Form Of Padhyavarta
ECGJ204A	Loksahtya	History of folk literature in gujarati literature
ECGJ204B	Santsahitya	History of saint literature in gujarati literature
CCGJ412	Bhartiyata Ane Vishvasahitya Krutiono Abhyas	World Literature Novel Of The Old Man and The Sea and Gharebahire
EC305	Drug Addiction, Criminal Justice and Human Rights	It Promotes Treating Addicts With Respect and Emphasizes Rehabilitation Over Punishment, Recognizing Their Inherent Dignity. The Course Encourages Understanding Addiction As A Disease, Fostering Compassion and Reducing Stigmatization. It Advocates For Fairness in The Criminal Justice System, Ensuring Drug Addicts Receive Treatment Instead Of Disproportionate Punishment. Focusing On Recovery, The Course Reinforces The Value Of Second Chances, Believing in Individuals' Potential For Change. The Course Highlights The Importance Of Protecting Addicts'

Krantiguru Shyamji Krishna Verma Kachchh University

		<p>Basic Rights To Health and Freedom From Degrading Treatment.</p> <p>It Promotes Harm Reduction Strategies, Emphasizing Social Responsibility and Protecting Society Through Compassionate, Effective Approaches.</p>
CC203	<p>Penology: Treatment of Offenders</p>	<p>Focus on reforming offenders to reintegrate them into society.</p> <p>Promote humane treatment of offenders, ensuring their rights are respected.</p> <p>Repair harm by involving offenders, victims, and the community in the healing process.</p> <p>Prevent crime through fair and just consequences while addressing root causes.</p> <p>Provide education and skills to reduce repeat offenses.</p> <p>Ensure equal treatment of all offenders, regardless of their background.</p> <p>Encourage community support for rehabilitation and reintegration programs.</p>
CCSN 101	Drama – Uttararama- charitam	<p>Introduce Bhavabhuti As A Literary Scholar, His Life, Style, and Works With Historical References, Explain Uttararama-Charitam As A Literary Form With Plot Construction, Appreciate The Character, Talent of Bhavabhuti As A Dramatist, Discuss in Detail Upama, Karun Rasa and Alamkara of Bhavabhuti.</p>
CCSN 102	Vedic Literature - Rgveda, Atharva	<p>Introduce Bhashyakaras of Vedas, and Discuss in Detail Various Aspects of Vedas and Vedic Literature, Introduce and Explain Vedic Vyakhya Paddhati, Translate The Text of Atharvaveda and Yajurveda-Selected Suktas and Mantras and Explain Science of Meaning Used in Vedic Text</p>
ECSN 101B	Vedanta – Smritipad Shankarhashyam	<p>An Understanding of Vedanta Philosophy and Prakarana-Granthas Translated From Sanskrit Would Enhance Translation Skills, Writing Skills and Comprehension Skills</p>
ECSN 102A	Alamkarashastra	<p>A Comprehensive Critical Appreciation of Natya Or Theatre Enhances Comprehension Skills and Various Skills Associated With Sanskrit Theatre Like Speaking, Acting, and Comprehension of Commentaries</p>
ECSN 102B	Darshan – Samkhyadi Shad Darshan	<p>An Understanding of Vedica and Non-Vedic Darshanas, Selected Sutras Propounded By Shankaracharya, and Jain and Buddha Darshan Translated From Sanskrit Would Enhance Translation Skills, Writing Skills and Comprehension Skills</p>
CCSN 204	Kavyam – Modern Sanskrit Poetry	<p>A Comparison of Literary Talents of Selected Modern Sanskrit Poets Would Improve The Comprehension Skills, Analytical Skills and Writing Skills in Sanskrit Literature</p>
CCSN 307	Kavyam – Prose – Harsha Charitam	<p>An Understanding of The Evolution of Prose Writing Learnt From This Subject Would Enhance Translation and Prose Writing Skills</p> <p>Skills of Writing, Translating, Comprehension and Analysis Will Be Enhanced By Studying Prose-Poetry Forms of Literature in Sanskrit, Its Evolution, Style and Characteristics.</p>
CCSN 308	Vedic Literature – Nirukta	<p>A Study of Etymology Would Enhance Vocabulary in Sanskrit Thereby Improving Comprehension, Writing and Analytical Skills Besides Comprehension Skills Learnt From Selected Vedanga Literature</p>

Krantiguru Shyamji Krishna Verma Kachchh University

ECSN 306A	Alamkarashastra – Dasharupakam	An Understanding of Dasharupaka & Kavyamimamsawould Enhance, Poetry Writing Skills in Sanskrit, Skills Related To Translation From Sanskrit, and Essay Writing Skills
CCSN410	Kavyam – Mahakavya	An Understanding of Mahakavyas Would Inculcate in Students Skills Related To Poetry Writing and Translations Skills From Sanskrit Along With An Understanding of The Socio-Economic Conditions of The Period To Which Mahakayas Belong
CCSN 412	Puranetihasa - Valmikiya Ramayan	A Comparative Appreciation of The Different Writing Styles of The Indian Epic Ramayana Would Enhance in Students Writing Skills of Poetry, Essays and Their Appraisal
ECSN 407B	Vedanta – Anubhashyam	Introduce and Discuss in Depth Life and Works of Vallabhacharya, Ramanujacharya, Vishistadvaita, Tradition of Shuddhadvaita Vedanta, and Anubhashya of Vallabhacharya.
CCCH 202	Organic Chemistrty	This paper includes planning a green synthesis in a chemical laboratory. This can reduce use of corrosive chemicals and toxic solvents. Hence can save the environment which felicitate in reducing pollution.
CCCH 401	Industrial Chemistry	A chapter in this paper makes the students aware of industrial lay out and knowing different departments of an industry. As a part of employability thereafter they can maintain industrial relations.
101 A CVAC (IKS)	MBA (Integrated) Introduction to Indic Knowledge system - 1	Indic Knowledge System - 1 is an academic subject focused on exploring the rich and diverse intellectual traditions of ancient India. This subject delves into various domains of knowledge that originated and evolved in the Indian subcontinent, including philosophy, science, mathematics, literature, art, and culture.
101 B CVAC (IKS)	Introduction to Bhagwad Gita	The Bhagavad Gita , often referred to simply as the Gita, is a 700-verse Hindu scripture that is part of the Indian epic Mahabharata. It is a sacred text of the Hindu religion and is considered one of the most important spiritual classics.
301 A CVAC (IKS)	MBA Integrated Sem 3 Indian Thinkers and Philosophers	Indian Thinkers and Philosophers is a subject dedicated to exploring the profound contributions of Indian intellectuals throughout history. This subject delves into the lives, teachings, and philosophies of prominent Indian thinkers and philosophers who have significantly influenced spiritual, social, political, and intellectual spheres in India and beyond.
301 B CVAC (IKS)	MBA Integrated Sem 3 Indian Saints	Indian Saints is a subject that delves into the lives, teachings, and spiritual contributions of saints from various traditions within India. These saints, revered for their deep spirituality, wisdom, and devotion, have significantly shaped India's religious and cultural landscape. The subject explores their philosophies, practices, and the socio-cultural impact they have had over centuries.
ECSO203	Social movements in india	Informs People about Social movements leading to social awareness
ECSO204	Sociology of health	Informs People about health sector leading to social awareness
CCPS-103	Psychology of emotion	<ul style="list-style-type: none"> In these course students learn that recognition of the need for a deeper understanding of the ways in which values are embedded in our attitudes and behavior. How do they affect our well-being, our relationships with other people, our prosperity, and our environment
CCPS-102	Developmental	<ul style="list-style-type: none"> In these course students learn about

Krantiguru Shyamji Krishna Verma Kachchh University

	social psychology	development of values, they are formed through a combination of genetic heritage and the impact of exposure to multiple social environments, such as family, the education system, community and society at large.
IKS 101	Management Lessons from Bhagwad Gita	It gives the understanding of Human values through the sloks of Bhagwadgita
CVAC IKS 201 A	Human Values and Professional Ethics	The whole syllabus focuses on the concepts of human values and professional ethics
CVAS (IKS) 301 A	Indian Thinkers and Philosophers	It explore the array of traditional Indian knowledge across various discipline and human values

Krantiguru Shyamji Krishna Verma Kachchh University

Courses addressing Environment and Sustainability		
Course Code	Course Name	Description
ECHS408	History and Tourism	Understanding of Preservation of Natural Heritage, Environment Protection.
CCHS412	Economic History of Colonial India-Ii	Providing Work At Low Cost.
ECHS408	Project Work	Understanding of Conservation of Environment, Conservation of Natural Resources, Understanding of Cleanliness.
CCEC 308	Environmental Economics; Issues and Policies	This course in meant to acquaint student which the basic theories of environment economics so they can develop and use appropriate theoretical to analysis and understand the environmental issues.
CCEC 411	Environmental Economics; Issues and Policies	This course in meant to acquaint student which the basic theories of environment economics so they can develop and use appropriate theoretical to analysis and understand the environmental issues.
CAIT206A	Try To Understand Our Mother Earth	This course includes knowledge of environment and importance of our mother earth in modern era.
D101	Historical, Political and Economical Concerns of Education	Sustainable Environment through education
C103	Guidance and Counselling	Sustainable life through Guidance and Counselling
C104	Special Education	Sustainable society through Special Education
B101	Childhood Education	Sustainable environment for development of child
B102	Higher Education	Sustainable society through Higher Education
B103	Inclusive Education	Sustainable society through Inclusive Education
B105	Issues and Challenges in Primary Education	Sustainable education through equality & equity
B108	Issues and Challenges in Secondary Education	Sustainable education through organization strategies
IDSW202	Disaster Management	It will help to understand ecosystem equilibrium and disequilibrium. It will develop an understanding of the process of disaster management.
CCEC 308	Environmental Economics; Issues and Policies	This course in meant to acquaint student which the basic theories of environment economics so they can develop and use appropriate theoretical to analysis and understand

Krantiguru Shyamji Krishna Verma Kachchh University

		the environmental issues.
CCEC 411	Environmental Economics; Issues and Policies	This course is meant to acquaint students with the basic theories of environmental economics so they can develop and use appropriate theoretical analysis to understand the environmental issues.
ICGE-106	Natural Resource Management	<ul style="list-style-type: none"> To describe ecological processes, including human impacts that influence ecosystem change, natural succession and the future sustainability of natural resources. <p>To characterize natural resources and be able to quantify at least one of these resources.</p>
ICGE-211	Environmental Geology and Disaster Management	<ul style="list-style-type: none"> Students will gain a comprehensive understanding of geological processes and their interactions with the environment, including soil formation, erosion, and sediment transport. Graduates will be able to identify and assess geological hazards such as earthquakes, landslides, volcanic eruptions, and floods, understanding their causes and impacts on human and natural systems. Students will be proficient in conducting Environmental Impact Assessments to evaluate the potential effects of projects on geological and ecological systems. Graduates will learn to develop and implement disaster preparedness plans and response strategies, enhancing community resilience to geological hazards. <p>Students will gain experience with tools and technologies used in environmental monitoring and disaster management, including GIS and remote sensing.</p>
CCGJ103	Kutchhna Sarjakonu Gujarati Sahitya	Details about Religious creators
ECGJ203A	Gujarati Hasyasahitya	Knowledge about comic fiction and history of comic fiction in Gujarati literature
ECGJ203B	Gujarati Pravassahitya	Knowledge about travel literature and history of travel literature in Gujarati literature
CCGJ309	Adhunik Gujarati Sahitya	History of modern literature
CCSN 103	Purana - Shrimad Bhagvatam	Understand about environmental problems among learners and impart basic knowledge about the environment and its allied problems. Teach the method of Hazard assessment, procedure, methodology for provide safe atmosphere with illustration of Govardhan lila.
CCSN 205	Vedic Literature – Rigveda , Yajurveda	To identify the creation of existence, natural resources five elements.
IDCH 105	Environmental Chemistry	It is one kind of interdisciplinary but very essential course which is a part of our regular syllabus. Our students can get an overall idea about environment and atmosphere. The paper also includes basic information of certain analytical techniques which can be helpful to field of Environment.
CCAG-2111	Mining Geology	<ul style="list-style-type: none"> Students will learn about different mining techniques, including surface and underground mining, and understand the advantages and disadvantages of each method in relation to specific resources.

Krantiguru Shyamji Krishna Verma Kachchh University

		<ul style="list-style-type: none"> Students will understand the environmental implications of mining activities and the importance of sustainable practices in the extraction and processing of minerals.
CCAG - 2113	Remote Sensing and GIS Technology (C)	<ul style="list-style-type: none"> The course is meant to address the fundamental techniques used for remote sensing and its use in geological applications.
ECAG - 2114	Hydrogeology (E)	<ul style="list-style-type: none"> Students will learn to assess aquifer properties, and their significance in groundwater flow and storage. Students will understand the factors affecting groundwater quality. Students will understand the principles of sustainable groundwater management.
ECAG - 2115	Exploration Geophysics and Geochemistry (E)	<ul style="list-style-type: none"> Graduates will appreciate the ethical and environmental considerations in geophysical exploration, emphasizing sustainable practices and responsible resource management. Students will analyse the biogeochemical cycles of key elements (e.g., carbon, nitrogen, sulphur) and their significance in environmental geology and ecosystem dynamics.
CCEN-101	BASICS OF ENVIRONMENTAL SCIENCE	<p>Students will understand key concepts and principles of environmental science, including ecosystems, biodiversity, and ecological balance.</p> <p>Students will identify and analyze major environmental issues, such as pollution, climate change, and resource depletion.</p> <p>Students will develop basic field observation skills and methodologies for studying natural environments.</p>
CCEN-102	ENVIRONMENTAL BIOLOGY (ECOLOGY)	<p>Students will demonstrate a comprehensive understanding of ecological concepts, including population dynamics, community interactions, and ecosystem functioning.</p> <p>Students will apply statistical and analytical tools to interpret ecological data and draw conclusions based on empirical evidence.</p>
CCEN-104	DRYLAND AND MARINE ENVIRONMENT – INDIAN CONTEXT	<p>Students will identify and assess the biodiversity found in Indian drylands and marine environments, including key species and their ecological roles</p> <p>Students will evaluate and propose effective conservation strategies for protecting and sustainably managing dryland and marine resources in India.</p> <p>Students will develop practical skills through field studies, including data collection and analysis related to dryland and marine ecosystems.</p>
ICEN-105	ENVIRONMENTAL CHEMISTRY	<p>Students will evaluate the sources, behaviour, and fate of environmental pollutants, including heavy metals, organic compounds, and nutrients.</p> <p>Students will demonstrate an understanding of the</p>

Krantiguru Shyamji Krishna Verma Kachchh University

		fundamental principles of chemistry as they apply to environmental systems.
CCEN-207	ENVIRONMENTAL POLLUTION-I	Knowledge of various types of environmental pollution, including air, water, soil, and noise pollution. Students will learn and apply techniques for measuring and analyzing pollutants in different environmental media.
CCEN-208	ENVIRONMENTAL POLLUTION-II	Understanding of advanced concepts related to environmental pollution, including emerging pollutants and their global implications. Analyze the sources, types, and impacts of industrial pollution, including case studies of specific industries. Understand the legal and policy frameworks governing pollution control, including local, national, and international regulations. Students will assess how climate change influences pollution dynamics and the effectiveness of various mitigation strategies.
ICEN-211	ENVIRONMENTAL GEOLOGY	Understanding of fundamental geological concepts, including rock types, geological structures, and earth processes. Students will analyze how human activities, such as mining, construction, and waste disposal, interact with geological processes and influence environmental quality. Students will evaluate soil and water management practices in relation to geological factors, including erosion control and groundwater protection.
ICEN-212	ENVIRONMENTAL ECONOMICS	Understanding of basic economic principles, including supply and demand, market structures, and externalities as they relate to environmental issues. Analyze how various economic activities, such as industrialization and agriculture, impact environmental quality and resource sustainability. Assess market-based instruments for environmental protection, such as carbon pricing, tradable permits, and pollution taxes. Examine global environmental challenges, such as climate change and biodiversity loss, and their economic implications at local and international levels.
CCEN-301	Environmental Impact Assessment, SIA, and Auditing	Understanding of the principles and processes involved in Environmental Impact Assessment (EIA), including its legal and regulatory frameworks. Students will learn the methodologies for conducting Social Impact Assessments (SIA), analyzing how projects affect communities, cultural resources, and social structures.
CCAR308	Bio-anthropology and Bio-archaeology	Demonstrate an understanding of the key concepts, theories, and methods in bio-anthropology and bio-archaeology. Evaluate and interpret bio-anthropological and bio-archaeological data, using both qualitative and quantitative methods. Integrate concepts from anthropology, biology, archaeology, and related disciplines to address complex questions about past human populations.
CCAR309	Environmental archaeology	Analyze archaeological data using environmental indicators (e.g., pollen, faunal remains, and phytoliths) to reconstruct past ecosystems and human-environment interactions. Integrate knowledge from archaeology, ecology, geology, and anthropology to address complex questions about human
