

Report with photographs on soft skills enhancement programs

At KSKV Kachchh University, we recognize the critical role of soft skills in enhancing students' employability and overall personal development. To address this need, we have implemented various programs, including workshops, seminars, and extracurricular activities focused on communication, teamwork, leadership, and problem-solving. Our dedicated faculty collaborates with industry experts to provide practical training that prepares students for real-world challenges. Additionally, student clubs and organizations offer opportunities for peer interaction and skill enhancement. This holistic approach ensures that our graduates are not only academically proficient but also equipped with essential soft skills to succeed in their careers.

Year: 2018-2019

A workshop on “Enhancing Personal and Professional skills” that is crucial for today’s competitive world organised by Department of Commerce and Management. The session focused on communication, team work, problem-solving and time management. Through interactive activities and practical exercises, participants gained valuable insights into improving their workplace interactions and personal growth. (36 students benefited).

Department of Social work from KSKV Kachchh University has organised an awareness drive on "Empowering Communities and Social work strategies". The Department has covered 5 villages and discussed on empowering communities to address their own social and economic issues.

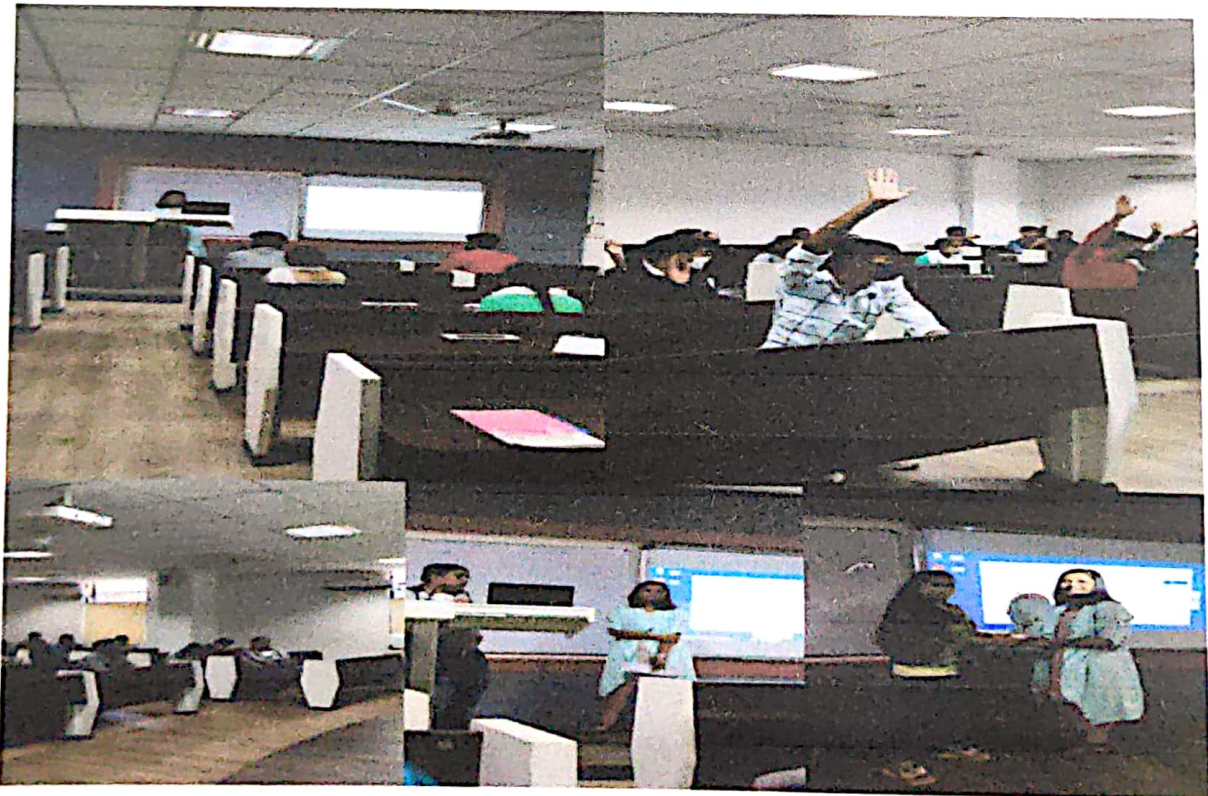

Department of Earth and Environmental Sciences has organised activity on Salim Node pastural activist program. Pastural community was benefited from this workshop.

National Youth Day was celebrated by Department of SSIP. Guidance on how to crack interviews and communication skills was given by Hon. Vice Chancellor of KSKV Kachchh University. The discussion on simulating interview situations to help students improve how they present themselves, answer questions, and handle pressure was done and mock interviews was conducted to prepare students well in this competitive world.

Department of Computer Science of KSKV Kachchh University has organised session of senior students who have passed from the Computer Department and through placement are placed at

reputed IT companies. Graduates who have established successful careers in technology are invited to share their experiences, insights, and advice on entering the tech industry. Senior students mentor juniors of Masters In Computer Science Department, fostering a supportive learning environment while building leadership and empathy in the mentors.

Department of Social Work from KSKV Kachchh University has organised a workshop to discuss on activities of "National Service Scheme" during COVID pandemic. NSS volunteers engaged in various activities aimed at raising awareness, providing relief, and supporting public health efforts. Their contribution was especially significant in rural and underprivileged areas, where healthcare infrastructure and information were less accessible. Door to door vaccination awareness was also discussed and implemented.

SSIP Scrutiny Committee Meeting for sanction of funds was held yesterday and 15 projects have received funds. Cheques will be distributed next week.

Scrutiny of various projects for start-ups was done by the Department of SSIP of KSKV Kachchh University. Out of that 15 Projects that meet the SSIP criteria and demonstrate significant innovation and potential are awarded funds to support their development and commercialization. These projects had received positive feedback and funds.

'आविष्कारक के लिए पेटेंट एक विशेष कानूनी अधिकार'

वीरबल साहनी पुरा विज्ञान संस्थान में विचार मंथन कार्यशाला

■ एनबीटी, लखनऊ: वीरबल साहनी पुरा विज्ञान संस्थान में शुक्रवार को एक विचार मंथन कार्यशाला हुई। इसमें वीएसआईपी व गुजरात के भुज स्थित केएसकेवी कच्छ विश्वविद्यालय के बीच शोध छात्रों की सुविधाओं को लेकर हुए एमओयू पर चर्चा हुई।

मुख्य अतिथि केएसकेवी कच्छ विवि के कुलपति प्रो.मोहन पटेल ने पेटेंट अधिकारों, वैज्ञानिकों की कड़ी मेहनत और उनके आविष्कारों की रक्षा के विषय में जानकारी दी। उन्होंने कहा कि पेटेंट एक कानूनी अधिकार है जो आविष्कारक को एक सीमित अवधि के लिए अपने आविष्कार का विशेष अधिकार देता है। वीएसआईपी

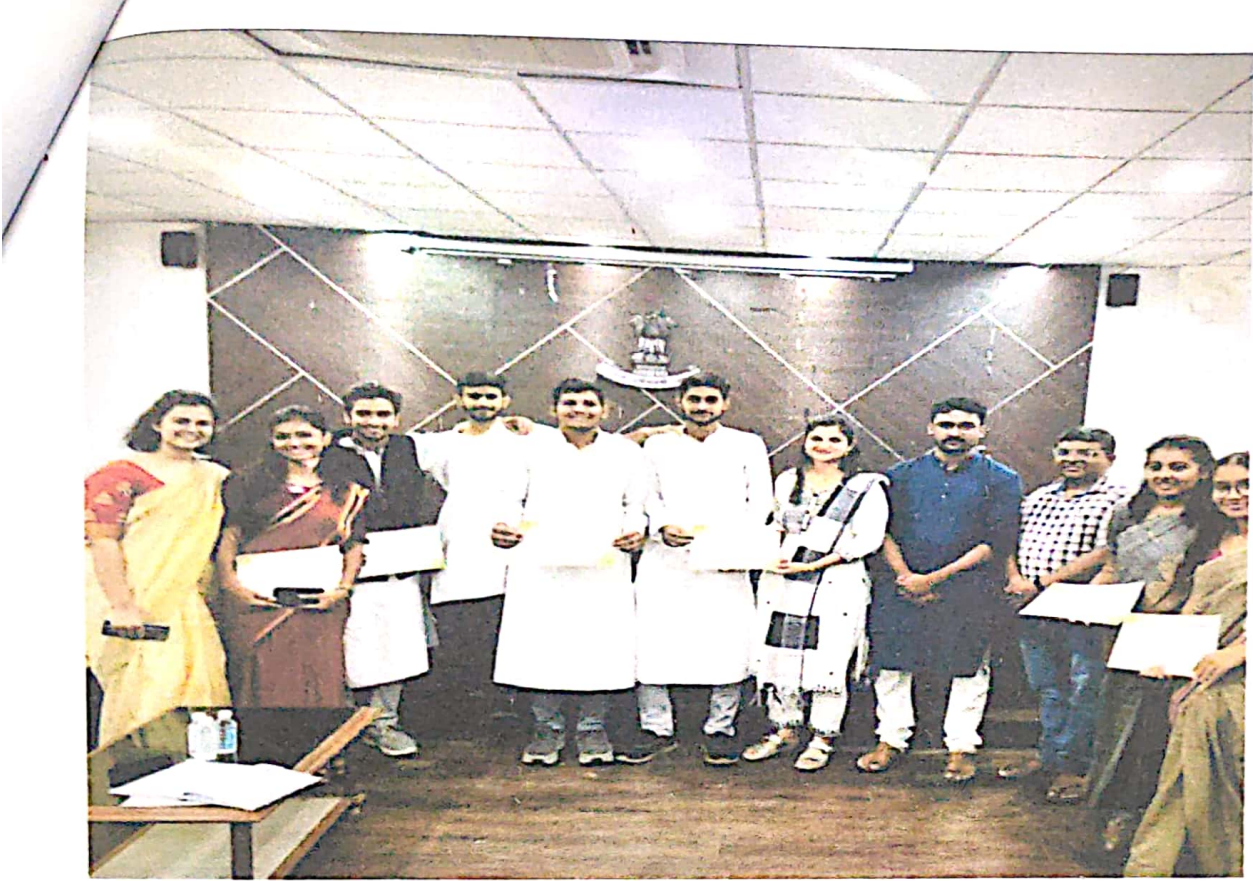

के निदेशक प्रो.एमजी ठक्कर ने स्वतंत्रता संग्राम के दौरान लंदन में क्रांतिकारक श्यामजी कृष्ण वर्मा से प्रो. वीरबल साहनी के बारे में बताया। उत्तर प्रदेश राज्य पर्यावरण मूल्यांकन समिति के अध्यक्ष प्रो. हरकेश बहादुर सिंह ने वैज्ञानिक संपदा अधिकार (आईपीआर) के महत्व पर जोर दिया। इस दौरान प्रो. मृगेश एच त्रिवेदी, डॉ. अनुमेहा शुक्ला, डॉ. स्वाति त्रिपाठी मौजूद रहे।

Department of Economics has organized event on "Global Economics Outlook: Challenges and Prospects" (105 Students have benefited). Workshop purpose was to explore the fundamentals of economics and discover how to apply economic principles to enhance personal and professional decision-making.

A Workshop on Great Oratory Skills is designed to help participants develop their public speaking abilities, enhance their communication techniques, and learn the art of persuasion. Such workshops are ideal for individuals seeking to improve their presentation skills, boost their confidence, and become effective communicators in various settings, from professional environments to public forums.
