**Storage and Destruction Policy:**

- ✓ All documents related to Practical/Project/Dissertation/Viva examination shall be stored and destroyed according to the storage and destruction policy for confidential documents/information/media as per KSKV Kachchh University's policy.
- ✓ Adherence to this policy ensures compliance with university regulations and protects the confidentiality of student data and examination materials.

## *Guidelines for Continuous Evaluation of Students*

### **Objective:**

Continuous Evaluation is an essential component of the teaching-learning process throughout the progression of a course. It aims to assess and improve the quality of student learning. The process should be organized, efficient, fair, transparent, and conducted in a professional manner to achieve benchmarking across institutes.

### **Components of Continuous Evaluation:**

- ✓ Students shall be assessed based on each of the following components

#### **a) Attendance:**

- ✓ Attendance of students during the teaching-learning process.

#### **b) Active Participation:**

- ✓ Active participation of students in theory and practical classes.

#### **c) Laboratory Work:**

- ✓ Satisfactory understanding by students regarding fundamentals of practical work.

#### **d) Assignment/Term Work:**

- ✓ Regular assignments/term work prepared by students themselves and submitted within specified deadlines. These tasks focus on improving literature appraisal skills.

#### **e) Class Test:**

- ✓ Objective/subjective class tests arranged at specified intervals by the concerned faculty.

#### **f) Practical File/Journal:**

- ✓ Maintenance of practical file/journal for laboratory work. Each practical entry should be signed by the subject teacher with all necessary descriptions to complete the practical. Faculty should update with innovative, research-oriented, and critical problem-solving practical tasks.

#### **g) Viva/Question-Answer/Quiz:**

- ✓ Students have to appear in viva/question-answer/quiz sessions as per instructions from the concerned authority.

#### **h) Seminar/Presentation:**

- ✓ Students conducting seminars/presentations to enhance subjective learning as per faculty requirements.

**i) Group Discussion:**

- ✓ Structured participation in group discussions for exchanging ideas in specific subjects as required by the faculty.

**j) Self-Study:**

- ✓ Encouragement and observation of self-study approaches by faculty to explore different ways of thinking and enhance student confidence.

**k) Internal Examination/Test:**

- ✓ Arrangement of internal examinations/tests for theory and practical subjects as per guidelines from KSKV Kachchh University.
- ✓ The list of components for continuous evaluation for each course and the weightage for each component shall be decided by the concerned faculty and communicated to the students at the beginning of the semester.

**Assessment of Continuous Evaluation**

- ✓ The assessment process for Continuous Evaluation shall adhere to principles of fairness and transparency. Records for each component of Continuous Evaluation shall be meticulously maintained and forwarded to the concerned authorities for compilation and further action.

**Storage of Documents related to Continuous Evaluation**

- ✓ All documents related to Continuous Evaluation shall be stored and managed in accordance with the storage and destruction policy for confidential documents/information/media established by KSKV Kachchh University. This policy governs the retention periods and proper disposal methods for all records related to examinations conducted by the university.

**Matters to be Kept in Mind During the Examination (Guidelines)**

**Classroom Cleanliness:**

- ✓ Ensure that every classroom is thoroughly cleaned before the examination begins.

**Benches and Desks:**

- ✓ Remove any text or literature from benches and desks in the examination halls.

**Prohibition of Electronic Devices:**

- ✓ Strictly prohibit students from bringing mobile phones or electronic devices into the examination hall. Conduct individual checks for each student before allowing entry.

**Shoes and Socks:**

- ✓ Students must remove their shoes and socks before entering the examination hall.

**Lighting and Ventilation:**

- ✓ Ensure that fan and tube lights are switched on in every examination room. Choose classrooms with sufficient natural light.

**Seating Arrangements:**

- ✓ Maintain a distance of three feet between two students. Arrange benches appropriately considering the age of the students.

**Notification to Utilities:**

- ✓ Inform the GEB (Gujarat Electricity Board) about the date and time of the examination to ensure uninterrupted power supply.

**Display of Information:**

- ✓ Display students' seat numbers, block numbers, and subject details on the notice board.

**Room Allocation Details:**

- ✓ Clearly mark seat numbers and provide subject details in each examination room.

**Provision of Water:**

- ✓ According to Krantiguru Shyamji Krishnavarma Kutch University Circular No. 30/15-16 dated 16/2/2016, ensure that watermen visit every classroom to provide water during the examination.

**Time Management:**

- ✓ Ring the bell after every hour of the ongoing examination and announce the last 15 minutes to students.

## **Matter of Guidance Regarding Depositing in Record Room After Completion of Assessment Work**

### **Instructions for Coordinators:**

#### **Format of Submission:**

- ✓ The coordinator should submit information and letters only in the prescribed format.

#### **Identification on Answer Book Bundles:**

- ✓ Clearly indicate the name of the examination, name of the subject, and month and year of the examination on each Answer book bundle.

#### **Bundle Number on Answer Books:**

- ✓ Mark the bundle number on each " Answer Books' bundle.

#### **Packaging of Bundles:**

- ✓ Each bundle of "Answer Books 'should be tied with a binding cord or packed in a box if available.

## **Examination Reform in Universities**

### **Online Services for Students**

- ✓ Students can now access the following forms and information online through their university ID:
- ✓ Exam Form and Fee Submission: Students can fill out and submit their exam forms and fees online.
- ✓ Hall Ticket and Exam Notifications: Hall tickets are available through the student ID, and exam notifications are sent via SMS.
- ✓ Online Results and Notifications: Examination results can be checked online, with result announcements also communicated through SMS.
- ✓ Re-checking and Re-assessment: Students can submit re-checking and re-assessment forms and fees online, with results accessible through their ID.
- ✓ RTI Form Submission: RTI forms and fees can be filled and submitted online.
- ✓ Degree Forms and Fee Submission: Degree-related forms and fees can also be completed online.

### **Supplementary Examination**

- ✓ Kutch University has been conducting supplementary examinations for Semester 5 and 6 over the past year. This initiative aims to ensure that students do not lose an entire academic year.

### **Secured Remote Paper Delivery (SRPD)**

- ✓ The SRPD method distributes question papers electronically to exam centers at the time of examination, ensuring complete confidentiality. This method is secure, time-efficient, and cost-effective. Kutch University successfully implemented SRPD for the recent B.B.A./B.C.A. examinations and is considering full adoption of this method next year.

### **Question Paper Printing Operation**

- ✓ Question papers are printed at a private press. Details are provided to the press in a digital online format using MMS Coding. The press delivers the question papers in subject-wise, center-wise, and block-wise sealed packs, which are opened only at the time of examination to maintain complete confidentiality.

### **Barcode Sticker System**

- ✓ All operations, from conducting exams to declaring results, are managed using a barcode sticker system. This system ensures confidentiality and transparency throughout the examination and result declaration process.

### **Result Declaration Operations**

- ✓ Currently, the assessment center and data entry center at Kutch University function under a centralized system. This has improved the accuracy of results and expedited the result declaration process.

### **Mark Sheet Printing Operations**

- ✓ Mark sheets are printed by private presses and bundled college-wise. For external students, the mark sheets are pre-packaged with individual addresses, ensuring quick delivery to students.

### **5yr Road map of University**

- ✓ A separate building of Examination Department
- ✓ Setting of own university press
- ✓ SRPD Adoption of Secured Remote Paper Delivery Method.
- ✓ Fully Digitized
- ✓ Organization of blue print seminar of question papers so that same structural weightage and difficulty level is maintained and the mistakes in question paper can be reduced.
- ✓ An environment where students can give exams in a relaxed and stress-free environment, a seminar for the same can be organized.
- ✓ Squad members, center coordinator, observer, supervisor should plan a seminar giving guidance related to examination.

## *Guidelines for Center Coordinator*

### *Matters to be Taken into Consideration by the Center Coordinator*

- 1. CCTV Operations:** Ensure that CCTV cameras are operational in all examination rooms. Backup recordings of exam times must be done promptly.
- 2. Staff Identification:** All staff involved in the examination must be provided with and wear an ID card. Ensure that only examinees and authorized staff are present in the examination area during exam times.
- 3. Paper Seal Verification:** Upon receiving examination papers, check the seal on the cover. Report any defects immediately to the university.
- 4. Paper Verification:** Verify that all required papers are received according to the provided list. Keep the papers in the locked room for second session in a strong room. Report any missing papers to the university immediately.
- 5. Paper Opening Protocol:** Open the covers of the papers 15 minutes before the examination in the presence of the observer.
- 6. Prohibition on Photography:** Do not allow any mobile phones to be used to photograph the papers.
- 7. Mobile Phone Usage:** Examination center staff should refrain from using mobile phones. Only the Center coordinator, Observer may use a mobile phone in exceptional circumstances. All other staff members must deposit their mobile phones in the designated office room.
- 8. Student Restrictions:** Students are not allowed to enter the examination center, examination hall, or any related areas with mobile phones or unnecessary literature.
- 9. Post-Examination Protocol:** Seal all cover sheets 30 minutes after the completion of the examination in the presence of the observer, following proper instructions.
- 10. Access Control:** Ensure that only staff engaged in the examination have access to all rooms used during the examination.

## *Guidelines for Observers*

### *Responsibilities and Conduct for Observers*

1. **Attendance:** The observer shall remain at the examination center at all times during the examination period.
2. **Mobile Phone Usage:** The observer should refrain from using a mobile phone.
3. **Signature and Time Sheet:** The observer must take and maintain the signature and time sheet provided at the paper center.
4. **Monitoring Suspicious Activity:** The observer should ensure no suspicious activity occurs at the examination center and report any such activity to the university immediately.
5. **Reporting:** Submit a report of the examination center duties performed, in a sealed cover, to the university.
6. **Representation:** The observer acts as the representative of the Vice-Chancellor, supervising all examination center activities to ensure adherence to university norms.
7. **Supervision and Instructions:** The observer should supervise all three examinations and provide necessary instructions to the center and its senior supervisors, participating in all operations.
8. **Arrival and Supervision:** The observer must arrive at the center 45 minutes before the exam begins to supervise the counting and distribution of question papers.
9. **Collaboration:** The observer should work politely and accurately with the principal, senior supervisors, and staff of the center.
10. **Inspection:** During the examination, the observer may inspect all blocks, toilets, offices, and any other areas as per university rules, and can order any unauthorized person to leave the center.
11. **Preventing Malpractices:** The university aims to eliminate malpractices in examinations. The observer, along with senior and junior supervisors, is jointly responsible for ensuring that no malpractice occurs and for reporting any incidents as per university rules.
12. **Reporting Non-Compliance:** The observer must report to the Vice-Chancellor regarding any centers or staff not adhering to examination protocols.
13. **Maintaining Decorum:** Ensure no unnecessary stress is placed on examinees, observers, or staff, and that the principal's demeanor is maintained. If full cooperation is not received or the examination's integrity is compromised, report this directly to the Vice-Chancellor in a polite but firm manner.
14. **Handling Issues:** If any problems arise at the center, stay with the senior supervisor and, if necessary, contact the university or the police. Provide a written report to the university regarding any issues or disciplinary actions taken.
15. **Familiarization with Policies:** The observer is expected to study all circulars and instructions from the examination administration to ensure compliance.

### Letter Grades and Grade Points

As per SOP Item No. 3, the relative grading system assesses students' performance within the same category. It ranks students into classes based on their relative level of achievement. This system specifies a weighted average of marks across all semesters, considering students' interests and their performance in each course.

Letter Grade	Grade Point	Marks (In %)
O (Outstanding)	10	96.0-100
A+ (Excellent)	9	86.0-95.9
A (Very Good)	8	76.0-85.9
B+ (Good)	7	66.0-75.9
B (Above Average)	6	56.0-65.9
C (Average)	5	46.0-55.9
P (Pass)	4	36.0-45.9
F (Fail)	0	Below 36.0
AB (Absent)	0	Absent

### **Semester Grade Point Average (SGPA)**

SGPA is a measure of a student's performance in a given semester based on grades obtained in that period of study.

### **Calculation of SGPA:**

SGPA is calculated by multiplying the number of credits ( $C_i$ ) with the grade points ( $G_i$ ) obtained by the student in each course ( $i$ ), summing these values across all courses passed, and then dividing by the total number of credits ( $\Sigma C_i$ ).

Mathematically,  $SGPA (S_i) = \Sigma (C_i * G_i) / \Sigma C_i$

Where:

$S_i$  is the SGPA for  $I$  th the course,

$C_i$  is the number of credits of  $I$  th the course, and

$G_i$  is the grade points obtained by the student in  $I$  th the course.

### **Form for calculation of SGPA**

Semester	Course	Credit	Letter Grade	Grade Point	Credit Point
1	Course 1	3	0	10	3 X 10 = 30
1	Course 2	4	A	8	4 X 8=32
1	Course 3	3	A+	9	3 X 9=27
1	Course 4	4	B	6	4X6=24
1	Course 5	3	B+	7	3X7=21
		17			137
SGPA					134/17=7.88

### **Cumulative Grade Point Average (CGPA)**

- ✓ CGPA reflects a student's overall performance across all courses taken since the beginning of their academic program.

### **Calculation of CGPA:**

CGPA is computed by dividing the sum of the products of semester SGPA ( $S_i$ ) and total credits ( $C_i$ ) for each semester by the sum of total credits ( $\sum C_i$ ).

Mathematically,  $CGPA = \frac{\sum (C_i * S_i)}{\sum C_i}$

Where:

$S_i$  is the SGPA of the  $i$ th semester,

$C_i$  is the total number of credits in that semester.

This calculation provides a comprehensive measure of the student's academic achievement throughout their program.

Semester	Credit	SGPA	Sum of Credits and SGPA
1	18	8.2	18 X 8.2=147.6
2	18	7.9	18 X 7.9=142.2
3	20	8.3	20 X 8.3=166.0
4	22	8.6	22 X 8.6=189.2
5	18	8.1	18 X 8.1=145.8
6	22	8.5	22 X 8.5=187.0
	118		977.8
CGPA			977.8/118=8.29

### **Academic Policies and Procedures:**

#### **SGPA and CGPA Calculation and Reporting:**

SGPA and CGPA will be rounded up to two decimal places and recorded on the transcript.

Transcripts will be issued for each semester based on SGPA, along with a consolidated transcript reflecting overall performance.

#### **Choice Based Credit System (CBCS):**

- ✓ A student enrolled in an undergraduate (UG) program under CBCS can opt for a four-year UG program.
- ✓ Higher Educational Institutions (HEIs) may offer bridge courses to familiarize students with specific courses.

**Minimum Marks Requirement for Passing:**

- ✓ Students must secure minimum marks separately in Continuous Comprehensive Evaluation (CCE) (Internal) and Semester End Examination (SEE) to pass a subject.
- ✓ If a student fails in internal assessment, they must fill the university examination form and update new internal marks online for the next examination.

**Experimental Work in Science (B.Sc.):**

- ✓ Experimental work in Science will be graded based on understanding, approach to experiment, observational skills, oral examination (Viva), calculations, accuracy, and journal.

**Eligibility Criteria for SEE:**

- ✓ To be eligible for SEE, a student must maintain a minimum of 70% attendance in each course/subject.
- ✓ No pending disciplinary actions should be against the student.

**Maximum Duration of UG Course:**

- ✓ The maximum duration of the UG course is seven years from the date of admission.
- ✓ A student failing in any semester can seek admission in the next semester.

**Grievance Committee for Internal Marks:**

- ✓ Each college must establish a Grievance Committee for Internal Marks consisting of:
- ✓ Chairman (Acharya/Principal)
- ✓ Senior Professor (Member),
- ✓ Relevant Subject Teacher (Member),
- ✓ Senior Lady Faculty Member,
- ✓ Member from SC/ST/SEBC cell.

**Publication of Internal Marks:**

- ✓ Internal marks must be displayed on the notice board for student access.

**Transfer Policy:**

- ✓ A student can transfer to another college or university:
- ✓ After passing semesters 1 and 2 for transfer to semester 3.
- ✓ After clearing semesters 3 and 4 for transfer to semester 5.
- ✓ Similar rules apply for subsequent semesters; all semesters must be passed to qualify for transfer.
