Subject: Awareness about Smart Gujarat Hackathon, 6th Edition, Organized by Gujarat Knowledge Society Under Student Start-up and Innovation Policy (SSIP 2.0), Education Department Gujarat

Dear Coordinators,

We are pleased to inform you that the Gujarat Knowledge Society, under the Education Department, is organizing the “Tech Hackathon: Building a Smart Gujarat” (6th Edition) as part of SSIP 2.0. This initiative aims to provide innovative solutions for various challenges faced by State Government departments, PSUs, Municipal Corporations, DDO/Collectorate Offices, and various Industry Associations. The program will also focus on developing mechanisms for hardware/software innovations related to these challenges.

We encourage you to inform and motivate all students at your respective schools and institutes to participate in this exciting opportunity.

Participants:

- School Students (From Class 9 to 12)
- Students of any Institute/University

Benefits to Innovators/Teams:

- Exposure to real-world challenges and opportunities to work on them.
- Opportunity to win awards and prizes totaling ₹ 42 lakhs.
- SSIP 2.0 grant support for PoC/Prototype/Innovation and IP of the top team.
