Subject: Appointment of Members to the SSIP Cell of KSKV Kachchh University

Dear Sir/Madam,

I am pleased to announce your appointment as a member of the Student Start-up and Innovation Policy (SSIP 2.0) cell of KSKV Kachchh University for 2022-2027. This initiative aligns with our commitment to fostering a culture of innovation and entrepreneurship, which is essential for the growth of our nation. As we celebrate India's 75th year of independence, Gujarat is dedicated to realizing the Hon'ble Prime Minister's vision of an 'Aatmanirbhar Bharat.' SSIP 2.0 aims to build upon the successes of its predecessor by supporting innovation across various sectors and demographics. This policy will introduce new avenues for student engagement and development in traditional and emerging technologies, such as clean energy, artificial intelligence, and robotics. The contributions of the SSIP Formulation Committee, Gujarat Knowledge Society, and the Department of Education have been invaluable in shaping this initiative. We are also grateful for the continuous support from the Government of India and the State Government. Together, we will work to create a robust ecosystem that encourages student innovators and addresses societal challenges. I look forward to your active participation in this transformative journey.
